RESPONSE TO RESTRICTION REQUIREMENT

Sir:

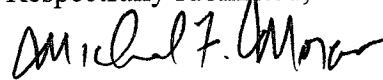

In response to the Office Action dated May 13, 2008, applicant elects Group I, Species A1 and Species B2 and claims 1-3, 5-8 readable thereon.

As set forth in M.P.E.P. § 806.04, a reasonable number of species may be claimed in one application. Further, as set forth in M.P.E.P. § 803, if search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though the application contains claims to independent or distinct inventions.

Under such circumstances, the Examiner is encouraged to maintain all claims in the same application.

An early and favorable consideration is earnestly solicited. If the Examiner has any further questions or comments, the Examiner may telephone Applicants' Attorney to reach a prompt disposition of this application.

Respectfully submitted,

Michael F. Morano
